Ann and Michael met each other while students at B.Y.U. in the fall of 1965. They had a long courtship, during which time Michael completed a mission to Northern England, and Ann served a mission to the Southern States. Finally, in the summer of 1969, they were married in the Salt Lake Temple.

Ann was born and reared in Afton, (Star Valley) Wyoming. She comes from a large family of five brothers and four sisters. Her father was a Bishop when she was born, and then served as Stake President for almost 22 years. Needless to say, Ann's life and activity were based largely around the church, however, she was also active in community affairs, school government, and extracurricular activity. Coming from a very musical family, Ann was a music major at B.Y.U., with a particular emphasis in vocal music.

Michael was born in the old Heber Hospital, and spent his early years growing up in Heber City, where he spent a great deal of time helping in his father's business and learning all about selling and servicing farm and industrial machinery. He graduated from B.Y.U. in business management, and is currently Vice-President of Moulton's Inc.

Ann and Michael have both been active in community and church affairs. They both have held many varied positions in the church. Michael served as Bishop of the Heber First Ward, and then was called as the first Bishop of the Heber Ninth Ward in March 1980.

Most of all, however, their time has been spent in having and caring for their children. The Moulton family is blessed with 8 children; Eric John, Paul Francis, Rebecca Ann, Michael Scott, Krisann, David E, Nathan Winters, and our most recent addition Emily Ann.
